New Shopping Cart: *(after July 5, 2021)*

The shopping cart contains items a user has selected to purchase. Users can add or remove items, change commodity codes, indicate whether the item is taxable or is a capital expense, adjust quantities and view an estimated total purchase amount.

The screenshot shows the 'Shopping Cart' interface. At the top left, there is a 'Shopping Cart' dropdown menu and a search bar containing 'Wygant Order'. Below the search bar, there are two tabs: 'Simple' (selected) and 'Advanced'. A red callout points to the 'Simple' tab with the text 'Click to empty, create or share a cart'. To the right of the search bar, there is a red callout pointing to a 'Go To' or 'Browse' menu icon with the text 'Click to see "Go To" or "Browse" menu'. Below the search bar, it says '2 Items'. The main content area shows 'Wygant Floral Co · 2 Items · 100.00 USD'. Below this, there is a 'SUPPLIER DETAILS' section. A table lists the items:

Item	Catalog No.	Size/Packaging	Unit Price	Quantity	Ext. Price
1  testing	n/a	EA	50.00	2 EA	100.00

A red callout points to the '...' icon next to the item with the text 'Click to open Action Menu for the supplier'. Another red callout points to the '...' icon next to the item with the text 'Click to open Actions menu for individual items'. On the right side of the interface, there is a summary box titled 'Estimate (100.00 USD)' with a 'Total: 100.00' and a green 'Proceed To Checkout' button highlighted with a red box.
